Agents

Equipping you to provide the
best guest experience

We're proud to have assisted a long list of superyachts in making good Pacific cruises, great, including M/Y Big Fish, M/Y Ocean Victory, S/Y Ethereal, S/Y Janice of Wyoming, M/Y Alucia, M/Y Arctic P and S/Y Thalia.

Our shore support services are comprehensive, freeing you to deliver the best guest experience in New Zealand and around the Pacific.

With a team formed of ex-superyacht crew, we're able to anticipate your needs and quickly deliver you solutions, from completing arrival procedures to berth reservations, MAF clearance, bunkering, spare parts, mail collection, provisions and local wine knowledge, our team will take on the task and complete it to the highest standard.

Like you, we believe in delivering excellence, and are available around the clock to ensure you meet your guests' needs, and surpass their expectations.
